

2013 – 2014 Season

The Jerseyville Strykers Soccer Club was organized in 1991 by local men who wanted to teach character traits and personal excellence through the game of soccer. Those principles have permeated this Club and have proven to be the solid foundations for this. At its inception, JSSC was a “glorified recreational level team” who competed in local tournaments and would occasionally travel to surrounding areas with selected members of the 7th and 8th grade team. Currently, we are a State registered club and we compete in the Southern Illinois Soccer League (SISL, www.sisl.org). This league includes teams from our region, including Edwardsville, Belleville, Granite City, O’Fallon, and additional metro St. Louis areas. Moving into this league allows our players / teams to continue to improve; and it will, in just a few short years, allow many more of our high school players to compete at the college level.

The transition to a “carded” organization requires more financial commitment from parents. Your business or personal sponsorship will continue to help the Jerseyville Strykers Soccer Club parents and coaches provide the best opportunities for their players. Your donation will help offset costs incurred for the tournaments and leagues for which we will participate. The Jerseyville Strykers Soccer Club does recognize that without your continued support, we would not be able to do what is best for our soccer players in this area. As you continue to support this Club, the coaches will continue to challenge our players not only to be the best athletes on the field, but also to maintain a high level of personal character on and off the field.

Respectfully Submitted,
